EDITOR'S LETTER

Unprecedented – that's the only word for it. No, I'm not talking about the quality of the lovelies we've got lined up for you this issue – after all, we've been doing our darnedest to bring you the most stunning women on the planet for 55 years now – but, of course, the state of the world as this virus ravages it. Well, unprecedented since 1918, at any rate, which is so long ago even *Mayfair* was but a distant dream. Still, if anyone can help us get through it, we reckon Lauren, Imogen, Bella and co can do it. Stay safe out there!

THREE STEPS TO DEVON

Dear *Mayfair*,

Jimmy and I have been friends ever since we can remember; when we were at school we did everything together, but we hadn't seen each other so much after we went to different universities, so when he invited me down to his place in Devon for a weekend I jumped at the chance.

I'd met his girlfriend Debs once before and Jimmy had certainly done pretty well for himself: she was a stunner with long dark hair and a figure in the Marilyn Monroe mode, all curves in the right places.

Anyway, we all went out for a meal and a good few bottles of wine on the Friday night but things started to get really interesting on returning to the house.

The conversation turned to sex and both of them seemed interested in why I didn't have a regular girlfriend. I was sitting on the sofa with Debs, and as I was a bit pissed I said that I'd never found anyone as gorgeous as her so preferred to play the field. Debs gave me a hug for my compliment just as Jimmy came back into the room with more drinks.

"So you fancy my girlfriend do you?" he said with a smile.

Embarrassed, I tried to apologise

but Debs just giggled and hugged me tighter, kissing me gently on the cheek.

I looked over at Jimmy, but he was just grinning at us.

Suddenly, Debs pulled my head around and kissed me full on the lips, snaking her tongue into my mouth and pushing her big boobs against me at the same time.

I didn't know how to react at first, but the scent of her perfume and the feel of her tongue in my mouth made my dick swell uncontrollably. I hadn't had a woman in nearly two months and here

DEBS STROKED HER HAND UP MY THIGH AND GRIPPED THE GROWING BULGE IN MY TROUSERS.

was a sexy babe coming on to me.

Coming up for air, I checked on Jimmy's reaction again and was amazed to see that he was rubbing his crotch as he

GREGORY PECKER

Dear *Mayfair*,

I just wanted to drop you a line to say thanks for all your good work in keeping the nation's peckers up during these unprecedented times – your latest issue certainly kept my pecker up, at any rate! Any issue with Dannii Harwood in is always going to be a winner in my book, but there were plenty of other highlights to help me while away the lonely nights in, not to mention the lonely days in as well! The ever-delectable Emma Green was looking just as alluring as ever, while your experiments with a mirror really paid off with Maria – I love that picture on page 20 where she's gazing at the reflection of her own perfectly shaven fanny (and who could blame her!).

Please keep up the good work!

Greg, via email.

Dear *Mayfair*,

I hope everyone there is keeping well during this pandemic – I'd hate to think of any of your stunning models succumbing to the virus (or any of the magazine staff, of course!). The only thing is, I don't seem to be able to find volume 55.02 for sale anywhere, and I could really do with my regular *Mayfair* fix while I'm self-isolating. Can I order a copy online, or is there some other way to get hold of the issue?

Frank, Dudley.

Well Frank, first of all thanks for your well wishes (even the afterthought about us staffers!). One or two models have had it, I think - but they've come out the other side in one piece, thankfully! As for getting hold of the magazine at the moment, I'm afraid printing and distributing adult magazines (even *Mayfair*!) doesn't quite qualify as a key industry, so for the time being if you want to get hold of the latest issues, you'll need to get them digitally, via www.paulraymond.xxx. For the duration of the lockdown there's a special promotion that means you can subscribe to all our titles for just £8.99 a month, which goes to show, it's an ill wind that blows nobody any good! Stay safe yourself! - Ed.

watched.

"Wanna fuck her?" he asked, quietly.

Without waiting for my answer Debs stroked her hand up my thigh and gripped the growing bulge in my trousers, making it pretty obvious that this had all been arranged between them.

Never one to look a gift horse in the mouth, I placed my hand on Debbie's thigh and slipped my hand up her skirt until it reached her panties. I tickled her slit through the material of her knickers as she reached behind her and unzipped her top, letting it fall to the floor and revealing a beautiful pair of tits clamped tightly in a black lace bra.

She pushed her chest towards me and I bent down so that I could run my tongue along the line of her cleavage while pressing harder on her clit with my fingers.

She moaned passionately and unclipped her bra, giving me free access to those fantastic boobs. I wasted no time and

sucked one fat juicy nipple into my mouth as I got a finger inside her tight knickers and inserted it into her already wet hole. Debs moved her arse towards the edge of the sofa and spread her legs wide so I could sink my digit deeper into her slit. She also managed to undo my trousers and remove my throbbing cock from my pants, her skilful wanking making it extra-hard and ready for action.

Then she pushed me back on the sofa and took my meat in her mouth, slurping on my shaft like a real pro and making me yearn to stuff it inside her sodden snatch.

At this point Jimmy came over to join us and began to squeeze his girlfriend's tits and grope her arse as she sucked my twitching cock.

Now, I've never shared a girl before, but watching him fiddle with the same girl who was sucking my dick made the scenario even more filthy and I gripped her head and shagged her mouth as Jimmy took out his own prick and positioned himself behind his girlfriend.

"Let's both fuck her," Jimmy said and as if on cue Debs clambered on top of me and aimed the head of my manhood at the gaping opening to her pussy.

She sat on my cock and it sank up to the balls in her delicious soft and slippery love tunnel. The urge to come there and then was incredible, but I strained with every nerve to hold out, knowing that even better was to come.

I could see Jimmy had his fingers down the crack of her arse, and when she bucked wildly on my cock I guessed he'd stuffed one or more straight into her bum. Deb's big tits were slapping my face as she rode me and behind her I could see Jimmy smearing his big hard cock with saliva as he positioned himself so that he could bugger her at the same time as I was screwing her fanny.

Debs stopped riding me for a second so that her boyfriend could stick it in her and I took the opportunity to grab her tits and suck on those lovely nipples again.

Debs let out a yelp as he penetrated her arse and her pussy clamped around my cock as he pushed it all the way up her back passage. Jeez, I could actually feel his dick through the walls of her pussy as he slid into her and so I too began to pump her in the same rhythm as my mate.

Fuck, it was awesome knowing that this horny slut had both our dicks up her at the same time and loved it!

Debs cried out again as her climax took over and she ground her arse and twat down hard against our two pistoning pricks. Both her holes were stretched to capacity and it was just a matter of which one of us was going to empty their balls up inside her first.

It turned out it was Jimmy who grunted and gripped his babe's hips as he slammed into her and exploded his spunk deep up her arse. Moments later I too had to come and jet after jet of sticky semen spurted from my dick into the squelching goo of her pussy.

We both pulled out of her and she flopped back on the sofa, Debs slumping between us gasping for breath as the intensity of the experience slowly faded.

Later that night Jimmy and I unloaded one after another into her mouth and each fucked her arse, while the other watched, and by the end of the weekend my dick was well worn out and we were all totally knackered.

All in all, it was an incredible weekend, and I've got an open invitation to go down again whenever I can. I don't think I'll be waiting too long before I do!

Paul, Bristol.

TOTALLY IN-ZEYN!

Dear *Mayfair*,

I've had a real thing for a colleague of mine since she started working in my company just over a year ago. The only trouble is Zeynep is a Muslim, so I'd kind of assumed I was never going to get anywhere, but things changed recently, much to my delight, but it's all very secret so I thought I'd get it off my chest by writing to you about it!

Zeynep and I were away doing a legal course (property law – all pretty boring) and were chatting together one evening in the

You could say it was a stroke of luck that we'd had the delectable Bexi Williams in for a shoot just before this pesky (but doubtless necessary!) lockdown came into force. Then again, it's been said that you make your own luck in this life, and, well, we're always on the phone trying to get her to come in for a shoot, so hats off to us for managing it, I say! Still, what really would have been a stroke of luck is if lockdown had been announced just as she arrived and Bexi had had to stay with us for the duration! She might be able to resist the charms of a *Mayfair* blurb-writer for a few hours, but given a couple of months she's bound to have cracked! (*Don't count on it – Ed.*)

TART THERAPY

Dear Mayfair,

In these difficult times I've had – along with most of your other readers, I'd imagine – a good bit of extra time on my hands, so I thought I'd while away a couple of hours painting another one of your beauties. After thumbing through 55.01 I decided upon Nicole Aniston, who looked so stunning perched on that piano. Any excuse to gaze at her gorgeous body for a bit longer, I guess, but here's the result – I hope you think it was worth the effort!

Gabriel, London.

Thanks Gabriel - we're always pleased to see your latest artistic endeavour! Yep, you can certainly tell you enjoyed painting this one - and why on earth wouldn't you? Ed.

hotel when we got round to the subject of her religion. I asked her about her parents, arranged marriages and all that, and she told me they were fairly modern in their outlook when it came to that sort of thing, but that she'd certainly be expected to be a virgin when she eventually got married.

"Wow," I said. "Don't you find that really hard?"

She smiled at me and replied, "Well, there are always other things you can do, you know..."

Just the thought of this dark-skinned beauty doing 'other things' made my cock give an involuntary twitch, and the sly grin she threw in my direction got me all flustered. Surely she couldn't be suggesting that we might be able to do something together?

To break the tension I suddenly felt, I laughed. "Ha, yes, I suppose there are! Erm, I hope you don't think I'm being forward if I said I'd really envy any guy who got to try any of these 'other things'

with you. I've thought you were stunning ever since you joined the firm, you know."

Zeynep flushed, and cast me another smile. "Well," she grinned, "you're not so bad yourself..."

My throat went dry for a moment, but Zeynep suddenly put her hand on mine and said, "Why don't we go upstairs?"

I stammered my agreement, and off we went, my heart beating wildly and my cock throbbing at the thought of what I was about to do with this sultry virgin.

Given the fact that she's never had 'proper' sex, Zeynep wasn't slow in coming forward when we got upstairs, slipping out of her blouse and skirt nimbly while I scrambled out of my clothes as quick as I could! When she slipped off her panties I gasped to see she was completely shaven, and she saw my surprise.

"Yes, a lot of women from my culture shave," she explained, and

gave her bald pussy a rub.

"I always was a fan of multi-culturalism!" I said, as stepped forward and slid my own hand down over her smooth fanny. She was already wet down there, and I gently rubbed her slit before, out of habit, starting to slide a finger inside her.

"Uh-uh," smiled Zeynep, stepping back, "nothing inside." I felt a sudden twinge of frustration, but she quickly relieved my mind by leading me across to the bed, lying me down, and kissing her way down my body. My cock was straining to feel her full lips envelop it, and soon enough I felt her hot breath on my dick. "Mmmm," I groaned, as her warm mouth closed over my length, sucking it gently and making it throb in her velvety mouth.

As she went to town on my thick tool I started to think about her delicious shaven snatch again, and asked, "Is licking alright?"

"Oh yes!" she replied, taking her head off my cock and smiling up at me, so I gently pulled her thighs round until her glorious

dark thighs were straddling my head her musky pussy inches from my face. Her pussy lips were a dark brown, and I leant up, running the tip of my tongue fully along her slit and savouring her tangy juices.

Zeynep let out a groan as my tongue delved between her lips and deeper into the rich pink folds of her pussy. Juices were streaming from her, and I lapped away at them frantically, their heady scent and taste driving me wild – a sense heightened by her tongue as it swirled round my bloated cockhead and up and down my shaft. I nuzzled my nose into her virgin hole, breathing her sex odour and thinking how desperate I was to get my cock in there.

"Oh, I'd so love to fuck you!" I couldn't help saying, and Zeynep stopped slurping my cock, looked round and said, "Well you can then."

"But what about...?"

"It's only my pussy that has to be virgin," she whispered. "You can have my bum, if you like – but you have to promise to be gentle."

I promised quickly enough, and Zeynep climbed off me and lay down on her front. Scooping a handful of her copious pussy juice, she smeared it all around her lovely dark hole, poking a finger tentatively inside to make sure she was thoroughly lubed. I scooped up some more of her musky juices and smeared them over my cock, anxious to make my penetration as smooth as possible, and when we were done I eased my helmet down towards her jet-black ring.

The sight of my pink prick slowly impaling her dark hole is one that'll stay with me forever, and Zeynep let out a low moan as I eased further inside her slippery bum, till at last she was full. I knew I was going to come pretty quickly at this stage, so I took things very easily, slowly sliding my dick on and out of her deliciously tight arse while Zeynep reached down and rubbed her own clit, clearly close to climax herself. I pressed closer, cramming every last inch of my length inside her as she started to writhe frantically, gasping as her orgasm approached.

This was too much for me, and I felt my balls tighten as Zeynep started groaning wildly as her climax shook through her. Her arse muscles twitched and contracted round my dick, sending a wave of pleasure through my whole body as I started coming. I pumped a couple of jets deep into her bowels before I pulled out, sending three or four arcs of hot come cascading over her lower back and delightful curvy arse before I collapsed next to her, panting and laughing, still not quite believing what had happened.

Zeynep snuggled up next to me. "See?" she said. "There are always plenty of other things you can do!"

I had to agree, and since that night Zeynep and I have been seeing each other on the sly two or three times a week. She's still a 'virgin', bit I for one am certainly not complaining!

Tom, Harrow.

.....

OK, so there are plenty of important questions in need of answers just at the moment, but perhaps one that needs most urgently addressing right here is, "Eh, is it Sybil or Sibyl?" Well, yes, it's Sybil, although for some reason this lovely lass found herself being called Sibyl on her earlier appearances in the mag. I'm blaming bit of a paperwork issue and an over-familiarity with Roman prophetesses, but anyway, the fact of the matter is that she's equally as stunning no matter how you spell her name, so it really doesn't matter that her billing was a bit, er, Fawltly.

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiny new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

GOOGLE NEST MINI

Well I don't know about you lot, but these last couple of months have mostly found me at home with a good bit of time on my hand. Obviously there's all the delights a digital copy of *Mayfair* has to offer to help pass the time, but for the sake of your physical wellbeing it's probably best to take a break from that sort of thing once in a while, meaning you're thrown back on the rest of your household's resources. So how to pass the time, apart from by watching repeats of *Miranda* and *Mrs Brown's Boys*? Well, making your house a bit smarter is definitely one thing that'll help, so if you haven't done so already, why not look into getting yourself a smart speaker? There are plenty knocking about these days, with various models from Amazon and Google, among others, so I thought I'd take a look at Google's most recent offering. The first thing to note, of course, is that anything with 'Mini' in the name probably won't feature all the whistles and bells of larger, more expensive options, but then with all the might of Google behind it, the Nest Mini still packs a punch. First off, of course, it can do all those pesky Google searches for you without you having to bother with all that tiresome keyboard stuff, and, as it's a speaker, you'll be pleased to note you can connect it to all your usual music-streaming services, like Spotify, Deezer, iPlayer and all those countless web radio services (not Amazon Music, though, unless..., well, I'll tell you in the next sentence). Niftily, it can also be used as a straight Bluetooth speaker, so that it can be used to play anything you've got on your phone, and the sound quality's a definite improvement over its predecessor, the Home Mini, with much more bang in the bass region for your buck. The voice assistant is probably top dog, and can distinguish between various voices, meaning you don't end up playing your wife's crappy playlists by mistake. On the downside, there's no 35mm audio input socket, so you really are obliged to Bluetooth it if you want to play something from an external source. Still, it's made out of largely recycled plastic, so you can kid yourself you're doing your bit for the environment while listening to your Grumbleweeds back catalogue.

PRICE: £49

GOODEE PROJECTOR

One of the very few benefits of all this lockdown business is that it's given us the chance to catch up on all those movies we've been meaning to watch for years but never really had the time for. And while watching a film on a good sized TV is all well and good, sometimes you want something approaching a genuine cinematic experience (minus the sticky carpets and the rustling sweet wrappers). And there's no better way to do that than with a home projector, that'll beam your favourite flicks onto a bare patch of wall and give you an altogether more immersive experience. Like most things, you can pay as much or as little as you want for one of these, but assuming you're not a total skinflint or a spendthrift squillionaire, then we figured about £150 might be a reasonable price, and this 2020 update from daftly-named Chinese manufacturers Goodee looks to be a pretty good bet for that sort of wodge. Being a projector rather than a telly, you'll need to watch it in a relatively dark environment, but then that's what you do at the cinema anyway (if I remember rightly), and the 5800 lumen output isn't too shabby at all. Best point of all over a TV, of course, is the image size, and the 2020 Goodee model can produce a pretty whopping 200" image when placed far enough away from the wall/screen, although for most room sizes a 100" screen size should be more than adequate. It's dead easy to connect to various inputs – a Firestick, your blu-ray/DVD player etc via HDMI, or storage devices via USB, and while it's got its own internal speakers, you can hook it up to external speakers as well, if preferred. Now where's the popcorn?

"I'm sorry honey, I didn't want you to find out this way."

A chap goes to the Doctor with an embarrassing botty problem.

"Doctor, it's my arse. I'd like you to take a look."

So the doctor gets him to strip down naked and takes a look.

"Incredible!" he says. "There appears to be a £20 note lodged up here." Tentatively he eases the twenty out of the man's bottom, and then a £10 pound note appears. "This is quite astonishing!" exclaims the Doctor. "What do you want me to do?"

"Well for goodness sake take it out, man!" shrieks the patient. The doctor pulls out the tenner and another twenty appears, and another and another and another. Finally, the last note comes out and no more appear.

"Ah Doctor, that's much better. Out of interest, how much was in there then?"

The Doctor counts the pile of cash. "£1,990 exactly."

"Ah, that'd be about right," says the man. "I knew I wasn't feeling two grand."

A woman has just come back from a trip to Africa and decides she ought to have a womb service so she goes to see the fanny mechanic.

"My God," said the gash engineer, "that's like a horse's collar. In all my years in quim I've never seen one that big!"

"There's a reason for that," said the woman, "I had a fling with a bull elephant when I was out in Africa."

The doc goes into his library and gets out some reference books. He tells the woman that the largest recorded girth of a bull elephant's johnson is eighteen inches, whereas her bits measured thirty-six inches across.

"Yes," she said, "but he fingered me a bit first."

The seven dwarfs go on vacation to Italy, and the Pope wants to eat dinner with them since they're so famous. They eat a good dinner, and the dwarves are about to leave, when Dopey tells them to wait up. He goes up to the Pope and asks, "Pope, are there any dwarf nuns in all of Italy?"

"No, sorry."

Dopey asks, "Any dwarf nuns in all of Europe?"

The Pope replies, "Nope."

Then Dopey asks, "Are there any dwarf nuns in all of the world?"

The Pope replies, "No, sorry my son."

The other six dwarfs are laughing behind him, and one yells, "Ha ha! Dopey screwed a penguin!"

The old cowhand came riding into town on a hot, dry, dusty afternoon.

The local sheriff watched from his chair in front of the saloon as the cowboy wearily dismounted and tied his horse to the rail a few feet in front of the sheriff.

"Howdy, stranger..."

"Howdy, Sheriff..."

The cowboy then moved slowly to the back of his horse, lifted its tail, and placed a big kiss right on the horse's arse. He dropped the horse's tail, stepped up on the walk, and aimed towards the swinging doors of the saloon.

"Hold on, Mister..."

"Sheriff?"

"Did I just see what I think I just saw?"

"Reckon you did, Sheriff. I got me some powerful chapped lips."

"And that cures them?"

"Nope, but it keeps me from lickin' 'em."

SCENE from MAYFAIR

What with all this extra time everybody seems to have on their hands these days, we thought we'd give you a double helping of things to watch – aren't we nice, eh?

1917

This was one of the last must-see movies to hit the big screens before such thrills as going to the cinema became but distant memories. In fact it was quite the hot ticket, and ended up bagging no fewer than 7 BAFTAs and 3 Oscars for its troubles. And there's certainly no doubting the fact that it's a mighty impressive piece of filmmaking, with Director Sam Mendes taking the kernel of a plot idea from a feat of bravery his grandfather undertook in the First World War and spinning it out into a dazzling piece of cinema. The plot, to be honest, is wafer thin – a couple of Tommies have to deliver a message to a distant trench to prevent the launch of a disastrous attack (surely a air drop or something would get the job done?), but the set pieces that follow will whisk you along with nary a moment to quibble. Occasional big-name cameos from the likes of Benedict Cumberbatch and Colin Firth seem unnecessary, but the cinematography is simply breathtaking, making this a must-see movie.

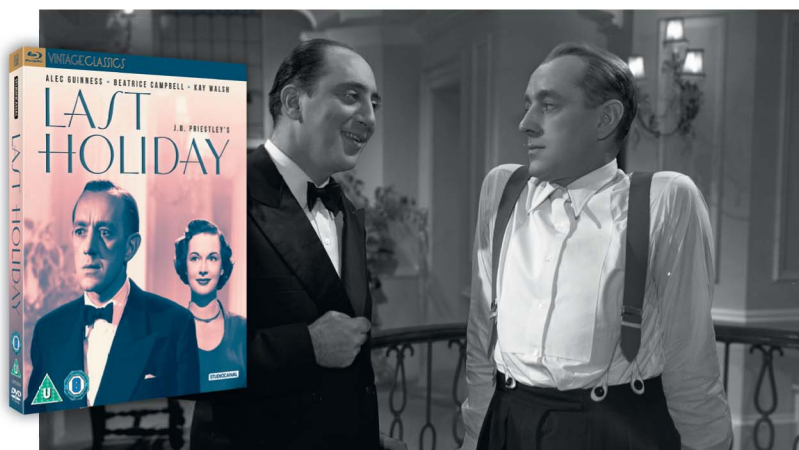

THE ELEPHANT MAN

The late, great John Hurt had many memorable screen performances under his belt when he took his final bow back in 2017, but possibly his most memorable and affecting was in a role where he was totally unrecognisable – David Lynch's magnificent *The Elephant Man*. It's hard to believe a full 40 years have passed since its release, but that, at least, provides the perfect opportunity to fetch it down off the shelf, give it a thorough 4K restoration; and they even put it out for a limited cinematic run (well, until the virus knocked that on the head). Chances are, then, you didn't get to see it at the flicks, but the Blu-ray's such a great release, and the restoration's got the atmospheric black and white looking better than ever. With Anthony Hopkins, John Gielgud and Anne Bancroft offering outstanding support, this isn't one to be missed.

LAST HOLIDAY

And it's another anniversary reissue for this one, the film having been originally released in 1950, when star Alec Guinness was at the very height of his powers – although they never really dropped off, did they? Whilst Guinness got to pull out all the stops in the previous year's *Kind Hearts and Coronets*, this time round he's giving a much more nuanced performance as lowly George Bird who, having been told his days are numbered, decides to go out in style by blowing his life's savings by moving into a seaside hotel. His lotus-eating last hurrah might see him hobnobbing with 'a better sort of person', but his natural sympathies are drawn more to the staff – in particular the housekeeper Kay Walsh. In what turns out to be probably Guinness's finest turn in a romantic lead, this is an irresistible slice of British cinematic history.

THE GOOD KARMA HOSPITAL

What we could probably all do with when the world's falling to pieces around our ears is a nice, regular slice of escapism in between all the appalling news bulletins, and that's certainly what you'll be getting with series three of *The Good Karma Hospital*, which is bound to do your karma a bit of good. Following her flit from London in the first series, junior doctor Ruby Walker (Amrita Acharia) is now well ensconced in the small Southern Indian Practice, run by *New Tricks* alumnus Amanda Redman's Dr Lydia Fonseca. But despite the idyllic setting you still need some conflict to move the drama along, and the medical team have got plenty of that to cope with, thanks to a couple of unexpected arrivals (including Kenneth Cranham) and the regular round of illnesses and injuries that a medical practice inevitably attract, including a nasty acid attack. With support from TV stalwart Neil Morrissey of *Bob the Builder* and *Men Behaving Badly* fame, this'll go down perfectly for anyone with a soft spot for *Death in Paradise*.

LONDON KILLS

We're all in need of a good box-set or three at the moment, and for fans of crime drama they could do a lot worse than this drama that's just had its second season aired on the Beeb.

Whilst there's been a bit of a trend for cop shows to be set in more remote and picturesque locations (The Shetlands, Dorset, erm, Sicily) this one takes us to the heart of the capital's gritty streets, as a crack murder squad sets about investigating one death after another. Led by Hugo Speer's DI David Bradford, the gang have plenty of cases to keep them busy, with mutilated and decomposing bodies turning up left, right and centre, and on top of all that there's some doubt about the disappearance of Bradford's missus! If you get the series one and two set, that's a whopping 450 minutes nicely taken care of! Oh, and series one is also available to stream on Acorn.TV!

THE MIRACLE WORKER

While many people might be whining about this lockdown (or actually taking to the streets to protest against it in some countries) this might be a good time to think about what real social-isolation is like... and there can't be a life better to illustrate that than Helen Keller. Born in 1880 both deaf and blind, it's hard for us to conceive what sort of a non-life lay ahead of her but, thanks to the incredible work of a young teacher, Keller went on to become a pioneering writer, campaigner and academic who redefined what overcoming disability could be. This 1962 film sees Patty Duke playing Keller and Anne Bancroft (her again!) as her teacher, Anne Sullivan. Directed by Arthur Penn, who went on to helm *Bonnie & Clyde*, this is a moving and powerful film that shows all too clearly what the indomitable human spirit is capable of. It's been wonderfully restored, and is accompanied by all sorts of bonus treats and assorted goodies for this, its UK Blu-ray debut.

It didn't take long after this virus first struck before the nation realised what a huge debt of gratitude we owe to all our health workers, and now Thursday evenings wouldn't be the same without a doorstep round of applause for them. Given that we're a nudie mag, we thought we'd pay tribute to our nation's selfless nurses in our own special way – by getting sumptuous Suffolk stunner Imogen to dress up as one... before stripping off! OK, so Imogen here might not be battling to save the lives of any patients, but we've all got to do our bit in whichever way we can, and I for one am glad she's decided to chip in with this morale-boosting effort!

Ms. Fortune!

IZZY

Age: 25 Vital Stats: 32B-24-35 5'7"
Photographer: Twistys

Readers of a certain age may well remember mute hand puppet Sooty, who, with the aid of his magic wand, was very keen for us all to “Izzy wizzy let’s get busy!”. Needless to say, at only 25 Izzy, doesn’t really remember any of that at all, but that’s not to say the idea of using a ‘magic wand’ to get busy with her isn’t a thrilling one!

“Look, I don’t really know what you’re on about, but is it something along the lines of me getting my kit off and playing with my shaven pussy for you making you feel horny or something?”

Umm, yes, that’s it really, but you know, we thought we’d throw in a bit of a vintage children’s TV show reference!

“Isn’t me getting naked enough, then?”
Well, yes, it is, frankly. We’ll shut up, eh?

100 MAYFAIR MOVIES

All this being locked-down malarkey might just have put a bit of a strain on your scruff stash, so here's three offerings that'll help to replenish your flagging cache!

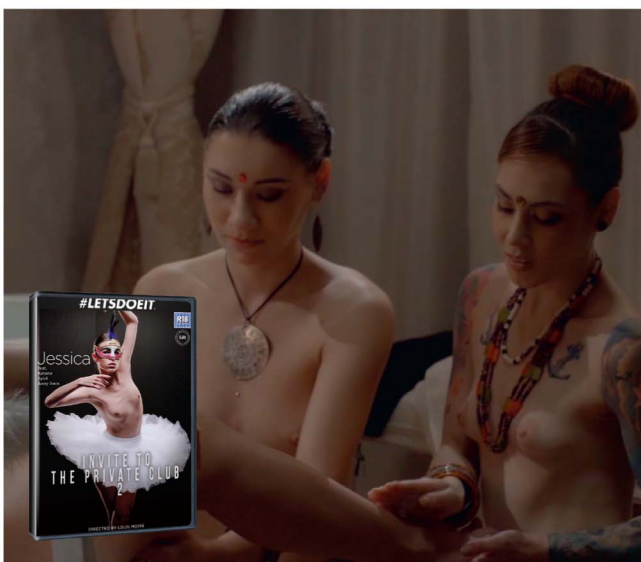

WICKED PICTURES PRESENTS ●●●●○ BACK IN THE GAME

Having first misread the title of this Wicked Pictures offering as 'Back on the Game,' I thought it sounded a wee bit too downbeat

to review, but thankfully it's not a gritty tale of a sex-worker's return to prostitution, but instead a quite nicely acted portmanteau, which starts with Whitney upsetting her squeeze Derek by pointing out that she's got much longer left to live than he has. Still, she soon cheers him up with a sofa-based bunk-up that sees the shaven-headed stud tucking into her not-so-shaven fanny before some cowgirl, doggy and spooning results in him spraying his nut-butter all over her furry foo-foo. And that's the last we see of them, as we set off into three more vignettes, each with a wee bit of a back-story tagged on for good measure. Lovely African-American Kira go through all the moves in a pleasing second scene, while Bella and Maya ain't no slouches either. Good clean, dirty fun.

LETSDOIT PRESENTS ●●●●○

INVITE TO THE PRIVATE CLUB 2

Jessica looks the very height of sophistication as she sashays through the city streets in her shades, and to round off her chic-ness she pops into a cafe for a coffee and a croissant. The cheeky

waiter slips her an invitation to a saucy club and the next minute she's clad in nothing but a tutu and a masque. Admirably *en pointe*, she leans forward and sucks off the waiter before lowering her tutu-ed pussy over his face for a lapping. A very tasteful scene follows, rounded off by a surprising creampie. Redheaded Jessica's treated to a lavish bath before her pairing – another tastefully shot, romantic sort of offering that gets the job done nicely and then we're on to... our very own Sybil! A nice treat there, for fans, and she also gets the bathing treatment before some blindfold fun with a jammy bearded stud. Apart from the eyewear, it's almost identical to the previous scene, but hey – it's got Sybil in it, so I'm not going to quibble. To round things off Asian lovely Katana's next in the bath/bedroom for another couply scene.

PRIVATE PRESENTS ●●●●○

MEN'S REAL FANTASIES

Hats off to Private – these are pretty close to my real fantasies. Liya, after a provocative stroll through the city, nods off in the office. Her workmate then starts to fantasize about her and lo – his fantasy is realised before our

very eyes! She's soon bent over the desk as he feasts on her shaven snizz, then out comes his sturdy pole for a gobble and a shag. She's a lovely lass and looks cracking as she rides him, before our lucky fantasist finally pops over her chin and boobs. Stud number two, meanwhile, fantasizes about a threesome with his girlfriend and her pal, and sure enough, he's soon balls-deep in the pair of them! Rebecca turns out to be sporty in more than one way next, before things turn a bit muckier as Lana Bunny finds herself in the middle of a corking DP, before spectacled teacher Sasha delivers the sort of lesson that's bound to help her fortunate student through his, um, A-Levels.

Rather like London buses in the old days (when there was a bit of traffic in between them), you wait ages for a Bella to make her debut in *Mayfair* and then two come along at once! Last issue we had the pleasure of presenting Bella Mendez, and this time round it's London-based lovely Bella Ellis, who's new to this sort of thing but who already looks right at home in front of the camera, so we reckon she's got what it takes come a proper *Mayfair* favourite in no time!

"Oh, do you think so?" she squeals. "This is only the second time someone's taken such naughty pictures of me, but I'm really getting a taste for it!" That's what we like to hear!

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Sunday lunch is the cornerstone of British life, my mum always used to tell me, and I take that very seriously - although more often than not I'll be feasting on cocks rather than roast beef, nibbling on a lady's nipples rather than parsnips and drinking gallons of spunk rather than gravy.

We live in a quiet little cul-de-sac in a quiet suburb of Warrington. A lot of our neighbours are quite elderly, the kind who sit in all day twitching the curtains, but the house was cheap - perfect for first time buyers - even if the area's a bit slow.

We've done our bit to liven it up anyway, and given the blue-rinse brigade something to tut about over their tea and biscuits.

You see Duncan and I are fully-fledged swingers and Sunday afternoon is how we

relax with equally sexy-minded friends and a few strangers we think can pep us up after a wild Saturday night on the piss.

Take last Sunday. We had our closest friends, Ray and Paula coming round. Paula works in the supermarket round the corner but when she's out of her work clothes she scrubs up a treat. Under her trenchcoat last Sunday she was wearing a new flowery bra from Bravissimo (which specialise in bras for the big-breasted lady) and she looked like she had been poured into it and someone had forgotten to say "when".

She had jet black fishnet stockings and to top it all off, she was already wearing an evil-looking strap-on in its harness. She laughed when Duncan grabbed it and said, "Who's that for then, not me I hope!"

and her whole cleavage, framed by the long frizzy blonde hair, giggled about.

Ray was her husband, a big black guy who had met her at a fetish night club in Manchester. Paula often told the story of how she met him - he was tied up to a giant wheel in the middle of the club and she sprayed cream all over his dick then sucked it all off. After he'd pumped the contents of his balls down her throat she gargled with it and let it dribble on to her boobs. Then she invited Ray to lick it off.

He knew at once he wanted to hang on to this

dirty bitch.

We'd been fucking each other as couples for ages and once I'd even gone off with Ray on my own for a night. Normally we have sex as a foursome and Duncan likes to watch me while I suck Ray's dick but on that occasion I really wanted to go wild with Ray and let him fuck my asshole so I sneaked off. I think Duncan guessed what I was up to but he didn't let on. I think everyone's got to have their secrets in a relationship, even if it's normally as open as ours.

Ray and Paula made themselves comfortable and I opened a bottle of wine. Paula said she had a surprise for us - a friend was coming over later to join us. No, we hadn't met him before but we would love him.

"He's a really dirty boy," she told us.

"Oh goody," I said. "We like dirty boys don't we Duncan?"

"Well, shall we give the neighbours something to talk about?" said Ray.

"Paula's desperate to try her new toy out. How about doing the honours, Trace?"

"With pleasure," I said. This was the role I loved, putting on a show for two horny men. I stripped down to my underwear and knelt in front of Paula like I was praying to the big dangling phallus between her legs.

I took the rubber head of the dildo in my mouth and began sucking on it, my eyes turning to Ray and Duncan who were watching in me with rapt attention.

I wanked its shaft and deep-throated the monster while I fingered myself. I swigged some more wine and lay back on the living room rug and spread my legs.

Paula took off her bra and her big freckly nipples spilled out. I reached up and brought them to my mouth, sucking and kneading her delicious titty-flesh.

**I FELT THE DILDO
BEING WITHDRAWN
FROM MY PUSSY AND
A TIDAL WAVE OF MY
JUICE FLOWING...**

I gasped as I felt the head of her strap-on press against my pussy lips and then with a big rush fill me up to the brim.

Paula pulled my legs up vertically and slammed all her weight into my butt cheeks, driving the strap-on into my gaping pussy.

I lay back and let the first orgasm of the afternoon wash over me. I kind of black out when I come and when I came to, Ray was dangling his nuts over my face.

He lowered them into my mouth and I hungrily sucked on them, running my hands up his legs and over his tight black

bum cheeks.

I felt the dildo being withdrawn from my fucked pussy and a tidal wave of my juice flowing on to the carpet.

I heard Paula moan and felt her bury her face in my slippery cunt, her tongue grinding over my clit and her fingers pulling my lips apart to thrust her tongue into my warm wet interior. It felt good knowing that, as he liked to, Duncan would be fucking Paula from behind.

I got up on one elbow to see if that was true and there was Duncan, bare chested and sweaty with his hands on Paula's waist, his cock all slick as it pumped in and out of her cunt and pushing Paula's face rhythmically into my groin.

I reached up to Ray's cock again and he squatted over my face. I tilted my head back and he angled his cock to fuck my face. I relaxed and opened up my throat so he could go deep down and his hands came over me to rub and squeeze my sensitive boobs.

It didn't take long for Ray to decorate the inside of my mouth with thick salty semen.

I couldn't see it, but I could hear Duncan

grunting as he sprayed Paula's womb and she was coming too, wailing and gripping the inside of my thighs with iron fingers.

There was a knock at the door and I thought for a moment it might have been the neighbours complaining about the noise. "That'll be John," said Paula as she wiped away spittle from the corners of her mouth. She ran to the door to let in a strapping middle-aged man.

He didn't look all that – he was big but not muscle bound, but Paula assured me he was a real bugger in bed.

To welcome him to our little afternoon meet, I spread my legs and let John roughly finger me. I was nice and slick for him and he was hard in no time, so he dipped his cock in and out of my cunt. He was a big one!

With three cocks plus Paula's strap-on to go round, I was

"I REACHED UP TO RAY'S COCK AS HE SQUATTED OVER MY FACE. I TILTED MY HEAD BACK AND HE ANGLED HIS COCK TO FUCK MY FACE."

looking for a good filling-up. I asked my friends if they would help me get all my holes filled.

My husband proudly lifted me on to Ray's shiny black cock as he lay on his back and I sighed as I squashed myself all the way down his massive horny length.

It was so big I had to lean forward on to my hands otherwise I swear he would have split me open.

As John was the new guy I told him I would be honoured if he would stick it in my arsehole.

He readily obliged after I'd fucked Ray for a couple of minutes. By the end of that my arse was well relaxed and I was begging to feel this stranger's cock buried in my back passage.

He started slowly, lubing up his head with the copious juices streaming out of my pussy and slicking Ray's dick.

Then I felt a little pain and a great hot sense of pleasure spreading out of my arse and pussy that made me come.

All I could do was sit still as John held my arse cheeks wide open and powered himself into me while Ray bobbed his hips up and down to give me vaginal pleasure. I was seeing stars!

To finish it off, Duncan and Paula stood in front of me, forced my chin up and made me lick alternately cock and pussy.

I really was in heaven with all three holes occupied. Duncan was the first to climax, jetting great gouts of semen all over my big brown tits. Paula licked it up like a kitten under an udder and then I heard John and Ray shouting almost in unison.

They were both coming at the same time and here came my orgasm too. As I bucked and screamed I felt two hot rushes below the waist as the two guys came powerfully. Ta-dah! What a way to spend a sleepy Sunday afternoon!

do. Unfortunately, my ex-boyfriend didn't share the same opinion and, looking back, I suspect my lack of desire to take it in the rear from him was a contributory factor to our break up.

Then I met someone even better than my ex. Alan was fit, intelligent, really successful and basically someone I could see myself getting married to and having kids with.

For the first few months of us being together the sex was great but it soon became clear that Alan was yet another

While being apart from each other we had kept in touch by text and our exchanges had got pretty explicit. In my last message to him, a few hours before he came round to my flat, I told him that I had a special treat for him. And that's how it was left...

Just after eight in the evening Alan was ringing on my doorbell. I was flushed with the excitement of seeing him and waited eagerly at the top of the stairwell as he ascended the three floors to my flat. I'd tactically just worn my knickers and a bra. Well, why bother making the effort to dress up when I'd be naked again in a matter of minutes? I say a matter of minutes but it was more like a matter of seconds as we'd hardly exchanged hellos when Alan was clawing my undies off.

I dragged Alan inside my flat and straight to my bedroom. He threw my

"ALAN DIPPED HIS HEAD BETWEEN MY LEGS AND BEGAN TO TONGUE HUNGRILY AT MY PUSSY. I GRAPSED HIS HEAD AND HELD IT CLOSE..."

I'm I'd always been wary of trying bum sex for the simple fact that I thought it might hurt. None of my mates had experienced it and I didn't feel it was something I needed to

guy with an adventurous streak. When we had sex he would often make moves towards my virgin brown hole and although I resisted for a while, my trust in him and my desire to take things to

a new, more intimate level, soon resulted in my anal submission.

I hadn't seen Alan for a few days because we both had work commitments so I knew when we did get together next we were going to have one of those really wild sex sessions. I decided that would be the moment for me to give up my anal cherry to him.

There was still the underlying worry that it might be painful so prior to meeting Alan I invested in some lubricant. Not only would it hopefully save me some discomfort, it might also signify my intentions to Alan if he had already given up on the idea of doing me up the arse.

“ALAN REMOVED HIS FINGERS AND I FELT SOMETHING BROADER PRESSING AGAINST MY RING...”

naked body on to the bed and while I waited there open legged for him, he quickly undressed.

Alan dipped his head between my legs and began to tongue hungrily at my pussy. I grasped his head and held it close, savouring every lick.

He took his time eating me out but all I could think about was giving up my arse to him so without hesitation I just came out with it: "Alan, I want you to fuck my arse!"

You should have seen the look on his face. His eyes lit up and a smile beamed from ear to ear. He was like a little boy receiving the Christmas present he had wished all year for.

"Are you sure?" Alan quizzed.

I just nodded and turned myself over, raising my virgin arse in the air for his taking. At the same time I reached over and grabbed the lubricant saying, "You might want to use a bit of this."

Alan gently grabbed my bum cheeks and pulled them apart. Then I felt one of his fingers coated in lube slide down my crack. He stopped at my arsehole and circled it several times, smearing the creamy gel around it. I winced as I felt a single digit breach my hole but to my surprise it didn't hurt. In fact it felt quite thrilling.

For the next few minutes Alan slid one, then two of his fingers deeper into

my arse, allowing me to get used to the sensation. I couldn't believe how much it was turning me on.

Then came the real joy. Alan removed his fingers and then I felt something broader pressing against my ring. No prize for guessing what it was. I gripped my bed sheets as Alan slowly nudged his cock into my rear. Admittedly, it took some time to get accustomed to, despite the preparation, but Alan was super gentle all the way.

I told him I was now comfortable with the anal intrusion and he proceeded to make deep but delicate strokes in my behind. It felt totally different to normal fucking but I thought to myself I could grow to like it. And I did just that in a matter of minutes once Alan used one of his hands to rub my clit in tandem with fucking my arse.

Getting pleased in both holes at the same time felt awesome. Combined with the thrill of being bummed for the first time sent all sorts of feelings around me. I started to shiver as I could feel an almighty

climax brewing inside me.

Sure enough, several more minutes of Alan's anal thrusts and clit fiddling took control of me. I wailed out with great delight as I came. Alan tried to keep pounding my rear but my sporadic movements made it difficult for him to do so and in the end he slipped his prick out of my backdoor.

I was so engulfed in sexual ecstasy that I slumped on the bed and Alan had to finish himself off. He tugged on his prick

until it exploded and he showered my withered body with his come, but to be honest I was still oblivious to it all, trying to regain my own composure after such an exhilarating experience.

I'm pleased to say our relationship is still going strong and yes, I've turned into a complete anal convert. So much so, that I've frequently found myself trying to convince all my friends that they're missing out! One or two have decided to give it a try, too.

HELLE

PHOTOGRAPHED BY
ED ALEXANDER

All of our readers have differing tastes in girls, and that is why we try to feature as many different types as possible. But from time to time a girl appears who seems to have a universal sex appeal. Such a girl is 21-year-old Helle Kjaer, whose stunning Nordic beauty and statuesque 35-24-35 figure have prompted floods of letters demanding her return.

Helle first appeared in Vol 15 No 1, but proved to be so popular that we had to bring her back 10 months later in Vol 15 No 11, or we would have been swamped under your requests to see more of her. But the letters still kept coming in, so here she is again, and never let it be said we don't take notice of readers' requests. G M of Chelmsford seemed to sum up her appeal: '... her figure is perfection itself, and combined with that beautiful face makes for the most attractive girl I have seen amongst all the *Mayfair* beauties. And who could resist those sexy but innocent eyes?' Helle's return must be some sort of record for we can't remember any of our other girls ever creating such a lasting stir.

Helle herself was delighted when we told her. 'It's a lovely compliment when so many men take the trouble to write in. I'm thrilled.' Helle was born in Copenhagen, Denmark, and came to England after meeting an English boy. She had not done any modelling before that, but now she has appeared in national newspapers and on TV ads. She now lives in Upper Norwood.

Classic MAYFAIR

This set of pun-friendly Helle dates all the way back to 1981, when even the Ed was a bit too young to be engaging in this sort of thing, but it's definitely aged well, hasn't it (and much better than the Ed, in fact)? Helle herself will be 60 herself now, which is quite a thought – but she can certainly look back on her modelling days with pride, don't you think?

MAYFAIR

Vol.55 No.04

On Sale June 24th

Let's be honest, the way 2020's panning out, it'd be a very brave person to speculate what the future's got in store with any kind of certainty. Who knows, maybe the world will be plagued by real life sharknadoes or Artificial Intelligence really will start to take over? Still, while the vicissitudes of fortune may come crashing over our heads in all sorts of different ways, here at *Mayfair* we're striving to be a bastion of level-headed 'Keep calm and carry on'-ness, so we'll be doing our best to bring you another slew of lovelies, including a welcome return for erstwhile favourite Chikita!
